## Celebrating No Lost Time in Ocala

Pratt **Ocala, FL** celebrated two years without a lost time injury. The team celebrated this accomplishment with a cookout that included grass-fed filet mignons from our customer "Florida Fresh Meats", fried chicken, baked potato, green beans, rolls from Golden Corral, and Famous Amos cookies and drinks. Congratulations Pratt Ocala on a job well done!

## Annual Statesville Employee Celebration

Pratt **Statesville, NC** hosted an employee appreciation celebration complete with steaks and all the trimmings.

General Manager, Jim Register and Plant Manager, Jonathan Adams grilled the steaks and served the employees. Each employee also received a long sleeve t-shirt after the celebration. This is a favorite event for the employees after the busy hot summer season.

## Denton, TX Recycling

Pratt Recycling's partnership with the City of **Denton, TX** goes beyond recycling collection to support sustainability efforts, including a new pollinator garden at our Materials Recovery Facility. More than 105 native Texas plants were planted by 40 local volunteers. The garden promotes community education on recycling and environmental care. Together, Pratt and Denton are raising awareness of sustainability and the importance of recycling.

## Spotlight on Safety

### *Cold Weather Preparedness Jackson, MO*

When the temperature drops below freezing or it is snowing, Pratt Jackson, MO has a cone with a flashing light attached to it that warns everybody that enters the parking lot that there is a chance of icy or slippery conditions. The cone is placed at the entrance of the employee parking lot so it is visible to everybody. In addition, the plant stocks up on ice melt, buckets, and spreaders so that the sidewalks and parking lots are treated and made safe for all our employees and visitors. Great job by the Jackson team!
