Logistics Tracking Towards Excellence: Celebrating Motive Masters!

National Truck Driver Appreciation Week takes place from September 13-19, providing a dedicated time to recognize the dedication, hard work, and commitment of professional drivers across the industry. Within the Logistics Division, where safety and precision serve as daily standards, driver performance remains a central focus year-round.

Recently, an elite group of drivers from the Northeast Region demonstrated exceptional performance by achieving a flawless 100% Motive safety score. Maintaining a perfect score requires consistent focus, dedication, and professional pride behind the wheel. By keeping their scores at 100%, these drivers embody the division's commitment to the "Drive Clean. Be Safe." initiative, proving that operational excellence is an achievable standard.

Northeast Region 100% Motive Score Achievers:

Wapakoneta, OH : James Davis, James Stanford, Alvie Finfroc, Erich Mille, Mark Tedder

Lewisburg, OH: Kenneth Fletcher

Springfield, OH: Robert Heironimus, Jeff Jackson, Thomas Linn, Jeffery Muterspaw, Isaac Rodriguez, Christopher Wells, Dennis Cummins, Zachary Smith, Mark Adams, Michael Brooks, Anthony Dover, Logan Dusina, Marquetta Felton, Christopher Hasford

To honor these accomplishments, a pizza party celebration was held for the Springfield, OH team to thank them and acknowledge their outstanding commitment to safety. Springfield distinguished itself by having all drivers achieve a 100% Motive score for the week.

Congratulations to all the drivers who achieved this milestone, and a big **THANK YOU** to all of our drivers nationwide! The Logistics Division encourages the entire fleet to maintain momentum, support fellow drivers, and continue striving for safety excellence.

Back-to-School Drives

Back-to-School drives were held at Humboldt, TN Corrugating as well as San Antonio, TX Converting. Through the generosity of our employees, school supplies were collected and donated to support students and families in these communities.

Kansas Shelter Donations

Park City, KS Corrugating teamed up with the Girl Scouts to collect donations for St. Anthony's Family Shelter in Wichita, KS. This shelter specializes in housing families that are experiencing homelessness.

Tulsa Kicks Off FY27!

The Tulsa, OK Converting team recently gathered for a plant-wide FY27 kickoff meeting, complete with a delicious catered luncheon and an opportunity to review the plant's goals and priorities for the new fiscal year.

The Inaugural Ascension Awards

The Southeast Region of the Recycling division introduced the annual Ascension Award to honor two plant teams for exceptional year-over-year growth and operational excellence/safety. This year, the Duncan, SC plant earned the Growth award, while the Atlanta, GA West plant took home the Operational Excellence/Safety award. Both winning teams were celebrated with a catered lunch, customized trophies, and individual certificates for each employee.

Rock Hill Family Day

Rock Hill, SC Corrugating hosted its inaugural Family Day in July, welcoming employees and their families to the plant for tours, games, and crafts. Guests enjoyed learning about the box-making process, while highlights of the day featured an origami table and a spirited costume contest among managers taking turns in the popular dunk tank. The Rock Hill team is already looking forward to making this a regular tradition.

A Full Year of Safety

Newnan, GA Retail just celebrated 365 days of safety. The team celebrated with Frios Gourmet Pops, perfect for the summer heat.

Spotlight on Safety

Recycling Safety Drills

The entire Recycling Division is being proactive with performing severe weather and fire drills. Due to a slightly higher chance of fires within the Recycling Division, they are requiring all facilities to go above and beyond to do monthly fire drills. During times of the year when severe weather is more likely, they conduct monthly severe weather drills. Knowing what to do and where to go is imperative to ensure your safety during these emergency situations!
