Learn. Grow. Thrive. The Complete Package

National Bagel Day

Cedar Hill, TX corrugating employees celebrated National Bagel Day on Jan. 15 with delicious bagels from Einstein's Bagels.

Staying Warm in the Cold

In January, Pratt Recycling in **Wapakoneta, OH** experiences an extreme cold snap. To find some relief, the team brought in warm meals throughout the week including homemade chili, loaded potato soup, vegetable soup and Lee's chicken, mashed potatoes, green beans and macaroni-and-cheese.

Cedar Hill Converting Supports Local Food Pantry

The **Cedar Hill, TX** converting plant has partnered with Cedar Hill Shares Food Pantry to provide food and essentials to families in need throughout the year.

Box 101

The Quality department in **Park City, KS** hosted a Box 101 class for converting employees, covering key topics like strike off box, caliper checks, ink management, print quality, mfg joint & slot depth, and tooling care. Even long-tenured employees

gained new insights from the event.

Carlisle Retail Team Experienced Safety Milestone

In January, Pratt Retail in **Carlisle, PA** marked an impressive 1,000 days without a lost time accident. This achievement reflects the team's dedication to safety both at work and at home. The team is now focused on reaching their next milestone of 2,000 days! Great job, everyone!

Perfect Attendance

A number of employees in the Southwest Converting region were recognized for perfect attendance in 2024. These employees received NorthFace jackets with the Pratt logo. Kudos to all of these employees.

Celebrating the Careers of our Recent Retirees

Alan Wasdin (6th from L), Conyers, GA Paper Mill, 28 years

Several long-time Pratt employees recently retired after exceptional careers. Their contributions have been invaluable, and all will be greatly missed.

A special thank you to them all for their exceptional service and we wish them the best in retirement!

Spotlight on Safety

Pratt Recycling - Fire Drill Training Box

The Mock Fire Training Box is a simple yet effective tool designed for fire drill simulations. It consists of a corrugated box with a flame cutout, representing a fire hazard. The box can be strategically placed in various locations within a facility to simulate real-world fire scenarios. Created in collaboration with the Recycling and Displays divisions, this tool enhances preparedness by helping teams assess emergency response times and improve fire safety awareness in a controlled environment.
