Pratt Livonia Team Earns New Patent

A major congratulations to **Pratt Livonia's** Sam Simich, Connor Cheney, and Ryan Richmond for earning a patent in 2025! They collaborated with General Motors and Yazaki to solve major damage issues with wire harness boxes shipped from Monterrey to Detroit by developing a patented non-joined die-cut tray with locked corner posts. This success highlights the power of the Pratt network, as Pratt Monterrey is now manufacturing the new boxes.

Breast Cancer Awareness Drive

The **Kansas City, MO** converting plant held an annual Breast Cancer Awareness drive to support The American Cancer Society. The team raised **\$2,975** exceeding their goal of \$2,000! Great job Kansas City team!

Valpo Diageo Visit

The **Valparaiso, IN** corrugating team was pleased to welcome our customers, from Diageo to tour our facility.

Greenville Hosts YMCA's RECESS

Pratt **Greenville, SC**, recently hosted The RECESS Program from the local YMCA, which supports post-high school adults with diverse abilities. The group enjoyed a tour, seeing the production process from design to completed packaging!

A Season of Thanksgiving

In November, Pratt facilities embraced the spirit of Thanksgiving by celebrating employees and giving back to their communities.

Jackson, MO Converting

The Signature Packaging facility donated boxes used for food kits to support Community Outreach of Southeast Missouri during the holiday season.

Houston, TX Converting

As a token of appreciation, every employee received a Thanksgiving box containing various items to prepare dinner for their families.

San Antonio, TX Converting

Employees came together to donate **380 lbs.** of canned goods to the New Braunfels Food Bank in time for the holidays.

Henderson, KY Paper Mill

The team successfully donated a massive **10,229 cans/items** to local food banks, led by the Mechanical Maintenance team who donated **3,705 items**.

Shreveport Family Day

Employees of the Shreveport, LA paper mill made memories at a fun family day at the Louisiana State Fair.

Veterans

Carlisle, PA Corrugator

The team held a celebration for their veterans, presenting them with blankets as a token of appreciation for their contributions.

Memphis, TN Converting

Veterans were celebrated with special lunches to recognize their service.

Safety First

Bessemer, AL Converting

The team achieved a facility first: three years without a recordable incident, which they celebrated with a steak and baked potato luncheon.

Ocala, FL Converting

The plant celebrated three years with zero lost time accidents. To recognize this impressive milestone, they held an outdoor BBQ for all employees.

Carlisle, PA Retail

After recent safety alerts, the Carlisle Retail First Responder team reviewed the incidents to develop new protocols and response strategies. The plant also reinforced its safety culture by constructing a new, museum-style "Safety Wall" to share its safety commitment and history with all employees.

Statesville, NC Logistics

The team held a successful meeting with the NC Highway Patrol, offering practical sessions on commercial truck inspections.

Spotlight on Safety

Pratt Vandalia - Container Labeling

Pratt Retail, **Vandalia, OH** has identified an easy way for all employees to properly label secondary containers of chemicals used in their facility to stay within compliance. They took the most used chemicals that are routinely placed into secondary containers and created an example label that employees can follow. These examples are posted on the floor where the labels are. This gives employees an easy reference to follow when labeling secondary containers.

Great initiative Vandalia Retail!
