### Oklahoma Tornado Relief

The **Oklahoma City, OK** corrugating team assisted local tornado victims by donating boxes to the Mustang Lions Club (MLC). These boxes will be used to deliver much needed supplies.

### Environmental Awards Presented

The **Cedar Hill, TX** converting team recently presented two customers - Fruit of the Earth and The Container Store - with Pratt's Environmental Impact Award. This award is presented to customers in recognition of the impact that using Pratt packaging has made on the environment. Each company proudly displays these awards in their facilities.

### Take Your Child to Work Day

Employees from our **Staten Island, NY** team brought their kids to work on Take Your Child to Work Day. The kids learned all about what their parents do and enjoyed a pizza lunch.

# Safety Spotlight: Safety Committees

Safety committees bring together employees from different departments to address workplace safety issues. At their meetings, committee members work to create and nurture a culture of safety through the open discussion of safety problems and possible solutions. Their ultimate goal is to reduce the risk of workplace injuries. Statistics have shown that plants with good safety committees have good safety records!

Keep up the good work, and thank you to all the safety committees throughout Pratt, you do a great job!

## New Addition

Our **Statesville, NC** corrugating team is pleased to announce a new addition to the Pratt family. Lindsey Toothaker, Senior Accountant, and her husband Christopher, welcomed baby Carter on Easter morning, March 31, 2024.

**Congratulations to the Toothaker family!**
